CONTENTS

Abstract	1
Introduction	2
Literature Review and Background Information	4
Taxonomy and Synonymy	4
Common Names	6
Description and Distinguishing Characteristics.	6
Native Distribution	7
Biology and Natural History	8
Associated Diseases and Parasites	13
History in Fisheries and Aquaculture.	15
History of Introductions	17
Eastern Hemisphere	17
Western Hemisphere	19
Uses.	24
Aquarium Trade.	24
Live-Food Fish Trade	26
Biological Control	28
U.S. Importations	28
Regulations as of July 2002	31
Potential Range	32
Risk Assessment Process.	33
Rating Elements of Risk Model.	34
Organism Risk Potential	40
Species Accounts	41
<i>Channa amphibeus</i>	43
<i>Channa argus</i>	45
<i>Channa asiatica</i>	53
<i>Channa aurantimaculata</i>	55
<i>Channa bankanensis</i>	57
<i>Channa baramensis</i>	59
<i>Channa barca</i>	61
<i>Channa bleheri</i>	63
<i>Channa burmanica</i>	65
<i>Channa cyanospilos</i>	67
<i>Channa gachua</i>	69
<i>Channa harcourtbutleri</i>	73
<i>Channa lucius</i>	75
<i>Channa maculata</i>	77
<i>Channa maruliooides</i>	81
<i>Channa marulius</i>	83
<i>Channa melanopterus</i>	89

<i>Channa melasoma</i>	91
<i>Channa micropeltes</i>	93
<i>Channa nox</i>	99
<i>Channa orientalis</i>	101
<i>Channa panaw</i>	105
<i>Channa pleurophthalma</i>	107
<i>Channa punctata</i>	109
<i>Channa stewartii</i>	113
<i>Channa striata</i>	115
<i>Parachanna africana</i>	121
<i>Parachanna insignis</i>	123
<i>Parachanna obscura</i>	125
Acknowledgments	127
References	129

FIGURES

1. Depiction of the Chinese snakehead, <i>Channa asiatica</i> , by Walt Disney Productions in 1959	3
2-6. Maps showing:	
2. Native distribution of the family Channidae	8
3. Introductions of snakeheads in the Eastern Hemisphere	17
4. States where snakeheads have been collected from open waters, were cultured prior to August 2002, or are established	20
5. States prohibiting possession of live snakeheads as of November 2002	32
6. Thermal range of snakeheads (Channidae) based largely on native range of distribution	33

TABLES

1. Currently recognized species of the family Channidae	5
2. Parasites of northern snakehead (<i>Channa argus</i>)	14
3. Species of the family Channidae currently known to be cultured for food and/or aquarium fish trade	16
4. Snakeheads of interest to aquarists in the U.S.	25
5. U.S. importations of live snakeheads (Channidae, all species) during 1997-2002	29
6. Origin of snakehead shipments (Channidae, all species) during the past 5 or more years.	30
7. States prohibiting snakeheads as of July 2002	31
